It's really no more than a summary of the opera, and I don't know of any score being published by Bärenreiter that is in English. I do know that Barenreiter do publish complete vocal scores in other languages: I checked the Vocal Score pages of Barenreiter for *Le Nozze*, and there is only one (16-page) score published in English: Schoenberg, *The English Edition*: the complete op. 28 · The complete op. 26 · The complete op. 9 · The complete op. 21 · The complete op. 18 · The complete op. 13 · The complete op. 11 · The complete op. 14 · The complete op. 12 · The complete op. 15 · The complete op. 16 · The complete op. 20 · The complete op. 23 · The complete op. 17 · The complete op. 27 · The complete op. 22 · The complete op. 25 · The complete op. 26 · The complete op. 11 · The complete op. 25 · The complete op. 26 · The complete op. 19 · The complete op. 31 · The complete op. 30 · The complete op. 28 · The complete op. 12 · The complete op. 21 · The complete op. 29 · The complete op. 35 · The complete op. 36 · The complete op. 37 · The complete op. 38 · The complete op. 39 · The complete op. 40 · The complete op. 41 · The complete op. 42 · The complete op. 43 · The complete op. 44 · The complete op. 45 · The complete op. 46 · The complete op. 47 · The complete op. 48 · The complete op. 49 · The complete op. 50 · The complete op. 51 · The complete op. 52 · The complete op. 53 · The complete op. 54 · The complete op. 55 · The complete op. 56 · The complete op. 57 · The complete op. 58 · The complete op. 59 · The complete op. 60 · The complete op. 61 · The complete op. 62 · The complete op. 63 · The complete op. 64 · The complete op. 65 · The complete op. 66 · The complete op. 67 · The complete op. 68 · The complete op. 69 · The complete op. 70 · The complete op. 71 · The complete op. 72 · The complete op. 73 · The complete op. 74 · The complete op. 75 · The complete op. 2d92ce491b
