In this blog you can Download any thing like Music,Software,Highly compressed Games.. If u face any problem regarding download plz Contact me. Menu. Konami announced the release of Pro Evolution Soccer 2011 on PC and Xbox 360 on March 16, 2010. This is the fifteenth edition of the Pro Evolution Soccer series. The game is available in three editions: PC, Xbox 360, and PlayStation 3. Gameplay Gameplay differs between the versions, with the PlayStation 3 edition offering more features and improvements. However, in terms of gameplay, it is almost identical to the PC and Xbox 360 editions. Development The development team, Konami, started the project in September 2007, with a high-res model of the stadium being created as a background for the game's characters and players. PES 2011 features more than 100 players, including eleven of the 2006 World Cup squad and notable retired footballers such as Ronaldo, Maradona, Bergkamp, Rivaldo, and Owen. Other features include kits and customization of kits, as well as the all-new Ultimate Team mode, and online play, including online friend matches, online league play and online and offline tournaments. The game is also the first in the Pro Evolution Soccer series to be published on the Xbox 360. Multiplayer Multiplayer has been expanded. Players can have up to 12 people in the game, and two of them can be on the same team. The 12 players in
