PowerUser is a small utility that will automate the process of installing, removing and updating Desk Accessories (WinDeskAnimations) on your machine. Every time you start your computer, PowerUser will run and begin looking for WinDeskAnimations. When it finds one that you want to use, it will copy it to a specified location and run it at system startup. PowerUser is most useful for people who like to have WinDeskAnimations on their desktops. A few users have reported that this utility didn't work with some of their WinDeskAnimations. To assist users in determining which WinDeskAnimations are compatible with PowerUser, you can read the following information provided by the author of WinDeskAngel, Raymond Fludd. If I'm missing any required module for it to run I am very sorry. When I've compiled it, I was thinking it would be good for battery life and other things. The main reason I added it was because of the "info" button. (Richer sound effects in WinDeskAngel- 2.0.0.0-win32). (This is also the reason for the version change...) Version 2.0.1.4. + Fixed some problems with folder names from old versions + Larger font + Removed the settings.txt file from the install directory + Stereo Mixer for WinDeskAngel-LARGE.zip + Refined the sound effects for WinDeskAngel-LARGE.zip + Added an "Info" button in the WinDeskAngel.exe + Updated with new sound effects for WinDeskAngel-LARGE.zip + Pasted in some of the buttons from WinDeskAngel-LARGE.zip + Some preferences settings for PowerUser have been taken out + Window title for winDeskAngel has changed to WinDeskAngel.exe (WinDeskAngel.exe is the folder name of WinDeskAngel.exe). + Removed some of the old looks for WinDeskAngel-LARGE.zip + Modified some of the folder names of the sounds and effects. + Added a notice to unzip the proper sound from source: + There is no easy way to find out which WDS's you have without going and manually checking all the files in WinDeskAngel.exe. I'll try and add some sort of list to the

We hold that the evidence was sufficient to show that Ortiz-Losa knew that the cash and the heroin were connected. 2. Exclusion of Ortiz-Losa's statements regarding suspected drug activity The trial court excluded evidence of statements made by Ortiz-Losa in a recorded interview, since the statements were made after the arrest. The trial court has broad discretion in determining whether to admit evidence. The judge's ruling will not be disturbed absent a clear abuse of discretion. (People v. Alexander (2010) 49 Cal.4th 846, 899-900; People v. Farmer (1989) 47 Cal.3d 888, 906.) The record does not show that the trial court abused its discretion. B. In
