## Essay On Noise Pollution 200 Words

The presence of noise pollution affects millions of people every day. Noise-induced hearing loss is the most common health problem caused by noise. It causes great damage to people and reduces the quality of life. Noise has a harmful effect on the health of almost any person, regardless of age, gender, ethnicity, social status and other characteristics. And while for some people noise is a common occurrence, for others it is a huge problem. Every year approximately 300 million people have noise related problems and for most of them it is an integral part of their daily lives.
