Today is the anniversary of my birth. I have celebrated this day before but it is always great to look back on how this journey began and what it has brought me. This has been a great year! I am one step closer to living my dreams and I am proud of that. This is a special day for me and I'm truly grateful to have everything I have today. I hope you've had a wonderful time celebrating with your family and friends and have a wonderful New Year! Here's to a great 2018! A great team today, the whole back four looked like we knew what we needed to do! I can't wait to get back out there in the new kit! I'm delighted to announce I've been named captain of the team for the new season. Every year I've played for this club, I've taken on that role. It's a tremendous honour to be able to lead the team out in my final game at the ground I've called home for so long. My first goal! The opening goal was a special moment for me, as I'd been here in Switzerland playing for this club for nearly 13 years by that point. I'd come here with optimism and determination to try and achieve my career goal. I'm grateful to the manager for giving me the opportunity to show what I can do and I truly hope I've been able

to repay that confidence with my performances this season. I've played some great football for this club and I'm proud of that. The fans have been fantastic to me, they've been so supportive every time I've played, it's been great to play
